#### **Before you complete the form, please know...**

##### **Travelers with disabilities**

Laws for accommodating those with disabilities are vastly different than in the USA. Mission of Mercy cannot guarantee the level of physical demands for the trip or the assistance available to an individual. For that reason, we are unable to accommodate participants in wheelchairs or those unable to walk for extended periods of time.

##### **Insurance Information**

I understand that my personal health insurance will provide primary coverage for any accident, incident or event that occurs while I am a trip participant and further understand that Mission of Mercy will provide an international travel health insurance policy which provides secondary coverage to my health insurance.

##### **Immunization**

It is strongly recommended that you contact your physician to inquire about any pre-travel vaccinations he/she might suggest. It is the policy of Mission of Mercy to leave such decisions to the traveler and his/her chosen medical professional. You may also check the Center for Disease Control for information on country requirements ([www.cdc.gov](http://www.cdc.gov)).
